

St Margaret's Church, Rottingdean - Christmas Tree Festival 2018

Guidelines for Exhibitors

All exhibitors are encouraged to make their individual trees a real 'entertainment' for the visitors to the festival.

Your tree will need a title, to be reflected in the decorations.

Your Christmas Tree may be:

- Traditional
- Modern
- Plain
- Elaborate
- A colour scheme
- Be themed
- Tell a story
- Depict your organisation or group
- Or just be different

Its up to you!

Each exhibitor will need to provide their own tree, either real or artificial, together with a suitable stand. If real you will need to ensure that it will last the weekend, and provide any care for it e.g. watering. We can turn lights on and off as long as you show us where they are.

Setting up times: are ONLY on Thursday 29 November (between 11am and 7pm) - please state your expected time of arrival on the booking form.

Tree Removal: All trees must be removed from St Margaret's Church either at the end of the Festival after the Advent Carol Service on Sunday 2 December after 6pm to 7pm; or between 10am and 1pm on Monday 3 December, again please confirm on booking form.

Tree lights are welcome, only battery LED operated. No musical lights as there will be some live and background music in the Church. The use of candles will not be allowed.

All exhibitors must respect other Church users when setting up and dismantling their trees. The organisers reserve the right to remove any item they consider unsafe or inappropriate.

Please

- **tell your friends, families and neighbours**
- **get them to come along**
- **enjoy the Festival and have fun**
- **make the fifth St. Margaret's Church, Rottingdean Christmas Tree Festival a massive success.**
